### Sketchy Pendant

Like a three dimensional crayon scribble, our Sketchy Series invokes play and spontaneity. Made from aluminum pipe that we manipulate through a roller press designed to form rings, these lamps showcase how we regularly work with machines to create unique hand crafted objects. No Sketchy Pendants is ever alike.

Lamped with 4.7w 12v LED modules and capped with 7" acrylic lenses  
Made to order in ANY size and color desired
